BRIEF ABSTRACT OF LETTER.

Requests order whether the claims of Lent officers who combine other duties with the Birthday festivities & claim T. a or halting allowances instead of actual T. a may be admitted & whether in the case of Lent Officers & local officers Conveyance hire for the extra period may be admitted.

NOTES AND ORDERS.

The following are the points for orders

(1) Whether Lent officers can claim T. a for journeys to & fro instead of actual T. a expenses or halting allowance for the days not covered by the invitation

MG 30/6/11 2- Rr 632A Clauses (a) & (b) are sufficiently clear. If a footnote be added that the term Dasara includes the sittings of the Representative Assembly and the Birthday includes the sittings of the Conference, then the rule would be complete.

3. In the case of the Conference it perhaps is usually held within the period covered by the Royal Birthday though this year there was some postponement. The above addition therefore would set at rest the question of allowances as regards Govt officers' claim &c. There is one point to be considered in this connection. There are some non-official members on the Conference. If they are not specially invited for the birthday it seems fair that actual charges viz: one 2d one third class fare if any of a non official or the class fare admissible when in service plus one third class for an attendant in the case of retired officials and a carriage while in Mysore should be allowed.

This matter is being separately considered I think

as members in the Conference they may not be given any allowance [Trials for Cambridge when the members are engaged in such philanthropic objects they cannot all be given their d/a for the period covered by the sittings of the Conference as otherwise there would perhaps be a distinction drawn between official & non official members].

I understand non-officials will also get d/a. M 4/7

5- ... to absent officers, if the Conference sits beyond the period of the visit in which case each should be treated as halts during both the days and only half d/a given (providing free quarters. There is no difficulty in this as under standing orders absent officer is entitled to only 1/2 d/a when one of the two conveniences viz: Bedstead or Freehold is supplied. [Would perhaps be well in this case also to make them free of d/a.]

Yes, but that is only when he goes as guest. Can it be right for instance to let officers occupy travellers bungalows free & give them only half d/a.

Agreed) H Bobell

6- The points referred to for for orders by Camp[bell] have not been fully grasped in the above notes - will M/c Trav. put up a note showing seriatim the points on which orders are required & illustrate each point by a concrete case M 4/7

7- The points on which orders were sought for in this Office No. 7838 dated 24.6.11. are the following -

(1) Whether Asst. Officers may be allowed the usual travelling and daily allowance for journeys and halts made by them before or after the birthday festivities.

~~8~~ - This includes 2 cases viz. (a) that of an officer who goes to Mysore on ordinary Govt. duty a few days before the commencement of the festivities, and also stops a few days on Govt. work after the festivities are over and (b) that of an officer who goes for the birthday festivities exactly in time, but stops there after it is over, to attend the Conference or any other Govt. work. For example Mr. P.S. Krishnaswamy, Judge of the Chief Court, proceeds to Mysore two or three days before the birthday on inspection duty, and halts there for 2 or 3 days after the festivities, again on inspection work. What is the allowance admissible to him for the 2 or 3 days before and after the birthday festivities. Is he to be allowed only ~~travel~~ actual travelling expenses, or ~~travelling~~ ordinary travelling and daily allowance in the 1st case, and can daily allowance for halts after the festivities, and ordinary travelling allowance for the return journey, be allowed him in the 2nd case.

(2) Whether a Asst. Officer can claim

Conveyance hire for the period of the Conference, and the Representative Assembly. If Mr P.S. Krishna Rao halts at Mysore for 4 or 5 days after the birthday or Dasara festivities, is conveyance hire for those days admissible to him.

(3) Conveyance hire is admissible ~~to~~ under existing orders to local officers for the period of the Representative Assembly but no order exists as to whether it may be admitted for the period of stay after the birthday festivities. The by Comrs may have halted for the recent Conference after the birthday festivities, and may claim conveyance hire for those days in addition to daily allowance. Can this be admitted?

Mr. 6.7.10.

8. My opinion on the above points

(a) When any other Duty at Mysore is combined the ordinary t.a. rates should be allowed. But D.A. should not be allowed for the period of invitation.

(b) At present on the occasion of Dasara (including Rep. Assembly) local officers get full daily allowance (+ t.a. genuine) ~~then~~ and are given carriage or carriage-hire and also free house. For ~~local~~ officers the rule

is less favourable. They may draw carriage hire but if they get a free house half the Daily allowance is deducted. Also the period for which they may draw carriage hire is not definitely stated. This vagueness in clause (a) of order No. G 5184-90-8 M 228-08-3 Dy 5-4-1910 should be removed by ordering that Govt. officers may (or may not) draw conveyance hire for the days beyond Dasara invitation covered by the R.A. sittings or days beyond Vaikuntha Ekadasi invitation covered by the E.C. sittings. For local officers as far as the Dasara is concerned the point is made clear by G.O. 7140-80 GOM. 4-08-28 Dy 18/6/09 Govt.

(c) ~~For local officers~~ an order is necessary (local officers) saying that they may draw carriage hire for the period beyond Vaikuntha Ekadasi invitation covered by E.C. sittings.

12- When an object can be secured by adding one or two words to a rule which already exists we should not add long notes to include the matter in the regulations simply to avoid the labour of finding where the addition can best come in.

13- It seems to me that the additions & corrections indicated in the attached pencil draft meets all requirements in a much better way. As exception 1 to Note 2 at 540 is referred to in 632 A (6) & as the order of 5.4.1910 making 632 A (6) applicable to tent offices is now put in the regulations, the exception 1 to Note 2 at 540 is also suitably amended.

Instead of trying to equalise the rates or privileges of local & Cant Offrs piecemeal, it would be better and more in the interests of Govt (I believe) if the Cant Offrs are brought under the operation of local rules in all cases. They have higher rates than local offrs generally and need not complain if some small concessions enjoyed by local offrs are denied to them.

OFFICE OF THE COMPTROLLER, MYSORE GOVERNMENT,

Dated Bangalore, the 24th/27th June 1911.

SIR,

I have the honor to invite your kind reference to this office letter No. 1929-T.A.15 dated 12th September 1910, requesting orders of Government whether the claims of lent officers who combine other duties with the Birthday Festivities and claim Travelling Allowance for journeys to and fro instead of actual travelling expenses or halting allowances for the days not covered by invitation may be admitted in audit and to state that in reply to the above, Government in their Proceedings No. Fl.2261/S&A.210-10-2 dated 8th November 1910 directed that the then pending claim of Col. Smyth might be admitted in audit, but no definite orders were passed as to the disposal of such claims in general. Orders of Government may therefore be kindly communicated on the point as I expect similar claims this year also, especially claims for halting allowance for the days on which the Economic Conference was held.

2. Lent officers are entitled under Government Order No. G. 5184-90/G.M.228-09-3 dated 5th April 1910 to free conveyance or the actual charges of hiring a conveyance not exceeding the cost of taking their own conveyances by rail, on the occasions of the Dasara

and

and the Birthday Festivities; but the period for which the conveyance hire should be given is not stated in the order.

In the case of Local Officers, however, Government have decided, so far as the Dasara functions are concerned, that this period includes also the period taken up by the sittings of the Representative Assembly. Hitherto there was no official function connected with the Birthday Festivities and no question arose as to the admissibility of the conveyance hire beyond the period of invitation, either in the case of lent officers or local officers. I therefore request that orders may also be communicated as to whether in the case of the former conveyance hire, if any, for the period taken up by the Economic Conference and the Dasara Representative Assembly, and in the case of the latter for the period of Conference, may be admitted.

I have the honor to be,

Sir,

Your most obedient servant,

For Comptroller.
